Mina Moazami

Mina Moazami

Born 23 Oct 1995

Education

2019 – 2023

Master of Science in Biomedical Engineering - Bioelectric

Khajeh Nasir Toosi University of Technology (KNTU) **Tehran , Iran**

GPA: 3.27/4 - 16.1/20
Thesis: Sleep Apnea Classification using Deep Learning Algorithm
Supervisor: Dr. Maryam Mohebbi

2013 – 2018

Bachelor of Science in Electrical Engineering - Electronics

Bu-Ali Sina University (BASU) **Hamedan , Iran**

GPA: 3.1/4 - 15.53/20
Thesis: Smart Cards
Supervisor: Dr. Soheil Ganjefar

Work Experience

Data Analyst

- Data analysis of home monitoring data, Jan-May 2024, **Benete, Turku**
- EEG signal processing and data analysis as part of the "Computing in Cardiology 2023" challenge, June-July 2023, **Department of Computing, University of Turku**

Awards and Honors

- Received Iranian national graduate full scholarship
- Ranked within top 5% among more than 40,000 participants in Iranian university entrance exam for Master's degree

Skills

- **Programming Language:** Python, MATLAB
- **Deep Learning Frameworks:** Keras, Tensorflow
- **Data Science:** : Data Analytics, Data Visualization

Language Proficiency

Persian: Native
Finnish: Intermediate
English: Intermediate

Hobbies and Interests

Sport

- Cycling
- Ice skating
- Ping-Pong
